Topic this Term

The whole school topic this term is healthy eating and living. This will give the children the opportunity to think about a balanced diet, eating 5-a-day, drinking enough water, exercising for 60 minutes a day etc. They will be designing, making and tasting a range of recipes with healthy ingredients. Work has already started with a visit from Phunky Foods who delivered activities for the whole school on Friday 28th April. And the Teaching Trees team will be back to re-commence their sessions at Acorn Bank next week

Sports Mark Update

We have already attended a couple of events this term including:

- * Tag Rugby at Frenchfields on Thursday 27th April
- * Cross Country for Key Stage 1 at Hunter Hall

Well done to all those that took part!

Years 5 & 6 also have Orienteering to look forward to on the 16th May – participants will be notified shortly.
