

# TEMPLE SOWERBY CE SCHOOL NEWS

Tuesday 12th June 2018

## Dear Parents & Friends of the School

We are into the last half term of the year now! It's a very busy half term with lots of sporting events, activities and fundraising opportunities.

Thank you to all those that helped and supported at the Kwik Cricket last night. It was a fantastic evening—made even better by our own team coming runners-up. Well done!

This half term we will be practicing for the Summer Production, and practices are already under way. We will enjoy an African drumming workshop and a mask making day to get ready for the show.

The Friends of Temple Sowerby will also be hosting the annual barbeque on Friday 6th July. Please watch this space for information about tickets, and how you can help.

Letters are going home today about the Duck Race. Please support the school by selling as many as you can—the proceeds from the Duck Sales through Temple Sowerby School, come back into the School funds.

On Thursday, we have a really busy day. If anyone can assist with transport to Kirkby Stephen Cricket Club at 9am, please let us know—otherwise we may need to cancel this sporting event. Also, the weather on Thursday looks like rain—please make sure the KS2 children have waterproofs and wellies.

Merit Assembly awards go to:
