## SCHOOL NEWS

Monday 9th September 2019

Dear Parents & Friends of the School

Welcome back after the Summer holidays, and welcome to our new starters in Reception and pre-school.

We are currently getting organised, making sure that the children are settled in their new classrooms and that our assessments are upto date.

Reading records in Classes 2 and 3 will be sent out shortly. As per a recent text—children can bring in their own named water bottles or can use school cups.

Please keep PE kits in School. At present, the whole school has PE on a Wednesday and a Thursday.

Guitar lessons will start on Monday 16th September for those that have signed up. Show and Tell will continue to be on Fridays. It will alternate in the Key Stage 2 classroom for Years 5 and 6 one Friday, and Years 3 and 4 the following Friday.

Please find a list of activities for the next few weeks. We are starting our popular Gardening and Wildlife Club and Cooking Club this week. Action Ants will also be in every Wednesday as previous.

Kind Regards

Mr Karl Laithwaite  
Headteacher
